TABULATION
SHEET

General Services
(Procurement) Division

Thank you for your response to our Request # **NE12-55Q-R2**. For your information, the following is a tabulation of all responses received. This solicitation was awarded to: **Flynn Drilling Company, Inc.** If you have any questions, please contact me at the address/phone number shown above.
Buyer: William D. "Bill" Noyes, CPPO, CPPB, Senior Procurement Agent Date/Time of posting: April 3, 2012 / 2:00 PM

PROJECT: Close and seal the public water supply wells at the I-70 Mineola Truck Parking Rest Area	Flynn Drilling Company, Inc.
Total cost to complete the project per the requirements in the Scope of Work and the Request For Quotation:	\$14,311.00
Estimated Availability (How soon could work start?) A.R.O. = After Receipt of Order or Notice To Proceed:	Immediately

Vandevanter Engineering and Wallace Well Service each submitted "No Quote" responses.

The Missouri Department of Natural Resources submitted an earlier cost estimate prior to the issuance of this solicitation, but did not submit a quote response due to differences between the scope of work in their original estimate and the scope of work required in this RFQ and also because MoDNR did "not want to appear to be in competition with the private sector."

Midwest Hydro Drilling & Service quoted \$16,497.00, but this response could not be considered and is not included in the tabulation above because it was received on April 3, 2012 at 12:12 PM; a late submission received after the 1:00 PM response deadline on April 2, 2012, had already passed.

Notification of the online posting of this solicitation was also sent to Bill Sullivan Excavation, Chester Dibble Company (DBE vendor), Keith Contracting (DBE vendor), and Riverfront Environmental (WBE vendor), but no responses were received from these vendors. Notification was also sent to the State of Missouri Office of Administration's Office of Equal Opportunity (OA OEO).
